Etiquette Homes

We are a leading real estate agency based out of Beirut, with a network of exclusive partners across the UK and Greece. We purchase and sell great value properties for key clients across Lebanon and the Middle East. Our property offerings are very unique and each one of our listings are hand picked by our professional buyers.

Our aim is to offer attractive, well priced and great located properties with great ROI opportunity for our clients.

Most importantly, we are here to fulfil your property investment needs, and if you don't find what you want in our listings then we will search and purchase a property on your behalf. Our ultimate goal is to build long term and referring clients who appreciate and understand our commitment to provide clients with the perfect home or investment.

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here, content here', making it look like readable English. Many desktop publishing packages and web page editors now use Lorem Ipsum as their default model text.

The Land of Gods

Baghi, a village parichayin the Shimla district of Himachal Pradesh, located on the old Indo-Tibet SH-1 at an altitude of 8884 ft. above sea level, with latitude 31.0636333 & longitude 77.1623698 as it's geo coordinates has been a strategic route for army, tourists & locals. Originally a part of Poonahar principality, Baghi was always an important commuting passage and a business centre for the surrounding local population, its scenery and enchanting forests always attracted the famous dignitaries. Its charm is drawing adventure tourists from India and abroad. Today Baghi is famous for its spreading quality apple, cherry orchards and pristine natural surroundings. It's secluded and suitable environment makes it the perfect setting for Roots Country School to be a part of this great land.

Kareri Lake Trek

Kareri Lake is a high altitude, shallow, fresh water lake south of the Shivalik range approximately 8 km North West of Dharamshala in Kangra district, Himachal Pradesh. Its surface is 2500 metres above the sea level. The lake attracts trekkers from early September to March.

scenery

The trek starts from the picturesque village of Kareri, where you will enjoy some beautiful views. The forests are thick with pine & fir. The trail then opens up to rocky grasslands along the lake that sound sooth, releasing with weather change is common. The waters are beautiful and are best to refresh with steep slopes.
